WITH YOUR HELP, KINGSPORT'S HISTORY WILL CONTINUE TO FLOURISH

Dear Members and Friends,

There are so many great things about our region, but because you live here, there really is no reason for us to list them. But we are sure you recognize our unique history, which is emblemized by our three very special sites -- **NETHERLAND INN, EXCHANGE PLACE and HAMMOND HOUSE**. All of these locations are quite unique, due in large part to their important location on Tennessee's earliest roads and trails and, of course, the Holston River.

In our bylaws, it clearly states that **The Netherland Inn / Exchange Place Association** is dedicated to "... contributing to the understanding and appreciation of the early history... and... the preservation of important landmarks, antiques, relics, and documents as a part of our national heritage." Each site plays its part by being, primarily, an educational institution that is also open to the public at various times of the year, but we also strive to fulfill our mission by offering memberships in the Association. We know you have been a partner in this effort in the past, and we hope you will continue to be a valuable colleague in our growth.

Our sites are not owned by the City, State, or County, nor are they beholden to any corporation, foundation or individual. They are operated exclusively by volunteers and are totally self-sufficient, which is why we are reaching out to you to support us by continuing your valuable membership for another year. We ask you, then, to please take a moment to think of our community and these **HISTORIC TREASURES**, and select your 2024 membership category from the list below. Your Association membership will help keep our heritage alive for future generations. And please also encourage your friends and neighbors to become members!

In addition, you may have also thought about giving back to Kingsport and investing in the future; we can make that a reality. Besides being a financial supporter, you could also consider volunteering at one (or more!) of our sites. Volunteers are essential to our success, and we have plenty of opportunities for you to become involved, meet new friends and learn more about the Model City's unique history. A little bit of your time will go a very long way, so if you are not already an occasional volunteer, please consider joining us sometime.
